Tribute Wall

SL

“ To cousins Lucy, Lorene & Tony ~ Our sincerest condolences on the loss of your mom, whom we always referred to as "Auntie Dell". It's been a loooong time since we played together at Grandma McCrank's house, and though we all grew up and moved away, we're still part of the McCrank "clan." May your mom rest in peace, and may everyone cherish the memories of her knowing, smiling face!
