“ Lisa, Kara and family, I worked with Barbara for many years at Boston Store. I have fond memories of her talking about you and the birth of each grandchild! She loved you all so much. I appreciated Barbaras guidance on a professional and personal level. To this day, I still make beef hash as she taught me to make it!! I am sending virtual hugs to all of you, as we retired and moved from the Milwaukee area years ago. I will hold fond memories of her in my heart forever. Sharon Wilcox
