

Bethanne Schweitzer

January 2, 2014

God opened his loving arms on January 2, 2014 and welcomed Bethanne home at the age of 59. She passed away at her home peacefully and comfortably. She was born on February 2, 1954. Bethanne was the nicest person anyone could have ever met and had a heart of gold. Left to cherish her memories are her children; Jennifer, Heather, Melissa, Michael and David . She is further survived by many grandchildren and even a few great grand children and a host of close lifelong friends. Special Thank you to the staff at Seasons Hospice and those who looked after her over the years. Heaven couldn't wait for her any longer. She's in God's arms now.
