“ *Many years of friendship dating back to the 60's, neighbors in Hubertus - Caren celebrated Jerry & Judy's marriage on 12/18/1965 the best way with her singing.*

“ *For many a year she and I vied for space on the top riser to keep cooler under the spot lights 😊. Although, I really think it was so she could be next to Bob, as the bases were positioned next to sopranos. 💕. Caren is sorely missed, but now she sings with the angels.*
