

## Carol Ann Krueger

December 3, 1967 - December 5, 2020

Carol Ann Krueger passed away at home on December 5th at the age of 53.

She is survived by her best friend and partner of 25 years, Charles Jordan. Carol is lovingly remembered by her mother, Joan Krueger, siblings Linda (David) Boxill, Joel (Melinda) Krueger, James (Dinah) Krueger and John (Ann) Krueger. She is the beloved aunt of Heather, Rachel and Justin Boxill; Allison Tierney, Andrew Krueger and Jeremiah Krueger. Carol is predeceased by her father, Gordon Krueger.

Carol was born in Milwaukee Wisconsin on December 3, 1967. She graduated from Rufus King High School and attended UW-Milwaukee. Carol loved travel and visited 49 states (darn Alaska!) with Charles and their beloved miniature pinscher Shelby. She was a striking beauty with an unconventional fashion sense and turned heads wherever she went. Her sharp wit and outrageous sense of humor made her the life of the party. She loved music, gardening, the outdoors and Charles most of all. Her buoyant spirit will be missed by all who knew her.

A virtual memorial will be held on Thursday, December 17th at 6:00PM . A private interment ceremony will follow.

In lieu of flowers, memorial donations may be made to Meta House, 2625 N.

Weil St., Milwaukee 53212 or [www.metahouse.org](http://www.metahouse.org). Condolences to the family and memories of Carol may be shared on the Tribute Wall at [www.northshorefuneral.com](http://www.northshorefuneral.com).

“ One of the first times I met Carol, George and I were at Landmark Lanes. An admirer would not leave her alone so George told him “the lady isn’t interested, move along”. George had to take a punch in the face from him because this stranger knew she was worth fighting for. Charles knew that too, and I was at the house party in Riverwest when the sparks between them first started to fly. Later, when our daughter Stella was born, 18 years ago this month, Charles and Carol came out to California to meet our bundle of joy and help us out. Carol cooked, cleaned, did kitchen plumbing projects lol! She was very handy and often told me she just liked being one of the guys. We went into San Francisco and found a thrift store on Haight Street. She found this awesome dress and I told her it would look great on her. She said “no, this is going to be your wedding dress”. Six months later I wore it down the aisle. Carol become Godmother to Stella and when she returned to Milwaukee we decided she would become my life coach :). With her brains she would research anything but most importantly she represented matters of the head, heart and soul. Peace on your journey Carol and know we are all better people from having had you in our lives.

“ To the Krueger Family, I am so sorry for your loss as I just learned this sad news from my Mother this morning. My clearest memory was one of playing with Carol in the snow in your backyard. We were making a tunnel in the snow from your back door to the little glass potting shed. I don't even remember being cold. Just having a ton of fun and having wonderful hot chocolate afterwards. Then I also remembered when my Grandfather was having health troubles, I would come to your house and you were teaching us how to crochet a little circle with pink yarn. I think we were among a little pink rabbit pin. Spending the little time I did with Carol and your family was always very comforting to me. I know Carol and I never kept in touch after all these years, but even now your family still comes as fond memories to me often. Rest In Peace Carol and I hope that all of you find strength during this trying time.

“ I have so many memories of Carol but my best was when I first got my dog Sweetie. I was a clueless first-time dog owner! Carol & Shelby & me & Sweetie went for nice walks around our neighborhood in Riverwest. She taught me/us a lot! Shelby was Sweetie's first puppy pals! Her wonderful wit & sense of humor but most of all her kindness is what I hold near & dear to my heart. My utmost heartfelt sympathies & condolences to Charles & Carol's family. Peace is yours now dear Carol💙🙏💙

“ Carol was a gentle soul and loved by all. If I close my eyes, I can hear her greeting us by name, smiling wide-eyed, telling us the latest of her adventures with Charles and Shelby. We shared some very happy moments together and only wish there were more of them. Sending our deepest sympathies to her family and friends.

“ How we got so lucky to be related to the most naturally hilarious person I'll never know. I literally cannot think about Carol without grinning, and I'm sure that will never change. She was incredibly unique. Her fashion was distinctly her, and she never wavered, always just effortlessly so freaking cool through and through. She made everyone laugh and everything more fun, what an awesome effect to have on the world. Can still hear her yelling "Cartwright!" We will miss you so much Carol.
