ANDRADE, CONSTANCE THERESA ""Connie"" nee Glennon, peacefully passed away in the early morning hours of September 14th. She is preceded in death by her son Tony and her husband Derrick. She is survived by her son Ivan, daughter-in-law Tonya Dunn, granddaughter Avana Andrade and her brother Tommy Glennon and his wife Betty Tanger. Connie was born in Lawrence, Massachusetts May 25, 1930 and married Derrick in Jamaica on December 6, 1958. With her dashing husband she traveled Jamaica enjoying its wonderful natural treasures, enchanting people with adventures too numerous to count, some quite unbelievable, and made many a life-long friend. With Derrick and her two young sons she moved to Milwaukee in 1967. With any move of such magnitude there were tremendous challenges but she had an indomitable spirit. She was a stalwart, sharp business companion and within six years they had established a rental property ownership and management business that afforded them the time and means to care for their son Tony. Connie along with her family continued her adventurous ways and traveled extensively throughout Wisconsin as well as many destinations in United States enjoying the natural treasures once again amassing a trove of adventures and memories. Connie was brilliant with numbers. She was a task master with Derrick, Ivan, Tony and the tenants! Nothing slipped past her. With her sharp wit, drive, perseverance, humility, passion for life, compassion for others and generosity she made lifelong friendships. She never forgot a birthday, anniversary or a friend's important special event. With this she forged

many a lifelong friendship. Hers is a legacy of compassion, drive and zest for life that is carried forward by her son and granddaughter. She will be missed by all. Service & Reception InfoVisitation will take place after 11:00 AM on Saturday, Sept. 27, at Northshore Funeral Services Chapel.
