Tribute Wall

“ To my old friend Dennis and Corinne's family: I am so, SO sorry for your loss! When I received an email notification about Corinne's death, I couldn't believe it. She was so young. I believe 1000% in life after death, and know without question that she is still very much alive - even moreso - but in a different form. I know this does not erase your pain, but know that you will all be together again one day. Love keeps souls together - no matter where they are. God bless Corinne and the Strahl family.
