“ We won't forget you. You were a great friend and we have so many wonderful memories. Like the many times you showed up with Shwarten boys and Dauls and hung out till the wee hours at Wieds or the awesome weekends at the lake house. Your wedding day...showing up at the house with the wedding party and two stretched limos. The numerous concerts we enjoyed. The dinners at Diamond Jims.....karaoke. 2é-6 2×4I know your laughing at that one.....the laughter....the laughter...the laughter. This is what I will miss....your laughter. We love you Dan you will forever be missed more than you know.

“ Cousin Dan, you're gone too soon! I will forever know there will be no more opportunity to see you whenever I'm up your way. My heart is heavy with sorrow. I don't want to say goodbye. Such good times we've had. I cherish them all. You hold a special place in my heart and I will always remember you. Love, Cousin Judy

“ Dan my friend, your smile was bigger than any I know. I will always have happy memories of our time together, including nights by the fire pit listening to great music and dances for cheese...you know what i'm talking about ;) You will be greatly missed and forever loved! To the Ritter family, I love you beyond words, and know that you are in my thoughts and prayers every day. There are no words that can make the hole in your heart full again, but in time you will remember the happy times and the hurt, although always there, will lessen. Feel your feelings, share with those who loved Dan and together we can move forward keeping his beloved memory in our hearts!
