

Donald William Espeseth

May 4, 1932 - March 2, 2026

Donald William Espeseth, was born on May 4, 1932. He passed into eternal life on March 2, 2026. He was 93.

Don was the keeper of music, both old songs and new. He brought smiles and sunshine to those who had a great need during trying times in this world. It was his way of giving back, giving of himself and being thankful for all that he had.

A banjo and harmonica were his instruments of choice because they were easy to pack. And he took them along just in case a little music was needed to round out a day.

Some places where Don shared his love for music and life were Opryland TN, New Orleans, LA; Indo-China refugee camp; nursing homes in Waukesha, WI; and dance halls, and schools, just to name a few.

Those were fun times and sweet memories with Don and his music.

Don is survived by his wife, Carol Brzezinski-Espeseth, daughter Lori Espeseth, son Brady Espeseth and stepson, Craig Eli Stone. He is further survived by granddaughter, Jamie RenHaack and grandsons and great grandsons.
