“ I am so sorry for your loss of Dolly during what should have been her golden years. In our youth we cousins saw each other with great regularity. It is with the familial sence of caring that I remember Dolly now. Tom, you and your family are in our thoughts and prayers.
Sincerely

“ So sorry for your loss. Although I only spoke with Dolly perhaps 2 - 3 times a year over the last decade, she made a lasting impression on me. I will miss her warmth and radiant smile. Craig
