“ *I'm so sorry I couldn't attend today's memorial for dear Fran today. There wasn't a word in Dave Umhoefer's obituary or the paid obit that anyone who knew Fran could disagree with. She was sui generis, a smart, warm and giving human who touched hundreds of lives. I doubt if anyone who knew her well will ever forget her. We're making a donation in her honor to the Memory Café. , alicehanson drew*

“ *I was a high school classmate of Fran. We had a lot of fun going to Bradford beach during the summer. Also enjoyed seeing her at our Tosa lunches through the years. She was a wonderful person who gave so much service to the community. I was proud to have known her. Sorry for your loss. Janice*
