“ So many years have gone by since we were transferred to Raleigh, NC, and lost touch with Fred. But he was a very dear person and we hold special memories of him and all the Square D people we worked with in Milwaukee.

“ I worked with Fred at Square D in Milwaukee during the late 70's and 80's. He was a wonderful fun loving man. My fondest memories of Fred were on a Ski Trip to Vale in when he wore purple heart shaped sun glasses and a fuzzy fur ski jacket and when my wife and I attended a small dinner party at his friends mansion on Lake Shore drive where he served champaign, popcorn in a sterling silver bowl and hot dogs on china. What a hoot. Jim

“ Fred was an outstanding co-worker at Square D. He was willing to go out of his to be of assistance especially to young and inexperienced new hires. He always went about his business in a professional manner. May God rest his soul.
