

Harry Benske

July 2, 2023

Harry, age 15 joined his father, John Benske in heaven on July 2, 2023. Adored son of Stephanie(nee)Palmer and her fiancé Derek Felske. Beloved brother of Christian, Jack and William. Loving grandson of Jack and Terry Benske, Larry and Cheryl Palmer and Miss Marge Rodriguez. Adored Godson of Tony Cichoke and Cher Driessen. Further survived by uncles, aunts, cousins, friends and teammates.

Harry would be starting his sophomore year at Homestead high school this fall. Our gentle giant 6'3 and 330lbs. gave the best hugs. He was an accomplished lacrosse goalie and football lineman. He loved traveling, bucket hats, seafood, sports, blasting his music, driving a golf cart and nighttime snacks.

He was as gentle as he was big. We will forever miss his handsome smile, hearty laugh and gentle soul.

“ We were blessed to be Harry's grandparents for 15 short years. Far too little time to enjoy our beautiful grandson. He had a beautiful smile, beautiful eyes & darling dimples. He had dark wavy hair that any girl would envy. Harry made friends fast & loved to make them laugh. He played football & LaCrosse from 3rd through 9th grade. He loved his teammates and they loved him as well as his coaches did. We will miss him coming to Omaha & Florida staying with us doing all his favorite things & eating at his favorite restaurants. One time he tried to order 30 wings just for him before we had pizza. We said a quick no to that...laughing all the time. He will be in our hearts forever. We will try to fill the void in our hearts with precious memories. God bless you dear grandson & Happy Birthday! We love you to the moon & back. 💕💕💕

“ I am so sorry for your loss, I know what it is like to lose a loved one. I remember in English class, he always loved his honeybuns and he always made us laugh, he always had a smile on his face, and he made sure everyone was happy. In math class, he always played games with us, and he made me laugh, he was a great guy. May he rest and be happy in heaven.
