July 17, 2016

Left us peacefully on July 17, 2016 at the age of 91. Residence Milwaukee. Beloved wife of the late Lyle S. Pozorski. Loving mother of Bridget L. Wolf (Daniel Stauff), Ann Powell (Flame), Mark John Pozorski, Mara Kay Pozorski (Roger Dahl) and Tina (John) Cotton. Proud grandmother of Rebecca Pozorski, Katarina Pozorski, Emmerson Beddome, Ian Powell, Colin Powell, Steven Cotton and Valerie Cotton, and 2 great grandchildren Axel and Silas Powell. Further survived by other relatives and friends. Hazel Lucille Blish was born on December 18, 1924, in Wonewoc, Wisconsin, to her father, Arthur, and her mother, Lucy. Adulthood and responsibility arrived early as she lost her father at the young age of 14, and her mother at only 22 years. Farm raised in rural Wonewoc and her Christian strength became the benchmark for her 91 years of surviving whatever setbacks came her way. After losing her husband Lyle at age 49, she raised 5 children and worked numerous jobs to pay the mortgage. Her joys in life were family (first priority), nature and music. She would smile brightly on every occasion that involved family and friends, and will be deeply missed by many. Service & Reception Info A Celebration of Hazel's life will be held on Monday, August 1st after 5:00 PM at the Northshore Funeral Services Chapel followed by a Memorial Service there at 7:30 PM.

“ Hazel was our dear neighbor for many years. As my children Gabrielle and Nathan grew, one of our regular pastimes was spending time and exchanging conversation, hugs and other needs with Hazel. She informed our understanding of the importance to be able to walk to places in the neighborhood, and was one of my main inspirations to try to address traffic issues and the general upkeep of this place. We have missed her very much. May her good soul now rest in peace.
