“ Our sincere condolences to the family and friends of Helen. Please know that so many people share your grief with you and will help you through this difficult time. The 23 Psalm is a wonderful scripture that has given comfort to many people. A Bible verse we have personally found to be of great comfort is found in John 5:28 "all those in the memorial tombs will hear his (Jesus) voice and come out ". The death of a loved one is extremely painful but have faith in God Jehovah's promise of a resurrection. May Jehovah comfort you during this sad time in your life.
