“ Farewell to the King of Pleasant Street and may his Queen take consolation in his legacy. A great neighbor and friend for many years. Jim and Pat always had a smile, a kind or humorous word and an open invitation to hold court on their welcoming front porch, back yard or kitchen table. I'm sorry to say have been out of touch for a long time, but your kindness and willingness to accept everyone and make them feel loved and at home has left an indelible mark on my soul. Jim...you always had a project going, building a fence or pergola or putting in flooring, trimming trees and the list goes on. May you find peace and eternal happiness in the company of the great carpenter above. You mattered good sir!
