“ We met Jane on a cruise trip to Alaska in 2000 and she was so friendly and warm that we continued to stay in touch from England and even visited her the next year. Since then has been a joy to keep up via Facebook. We are just sorry we didn't get back to see her again in our ongoing travels. Love from the UK, John & Jean

“ She was a great teacher and friend. She will be missed by many. I was one of her students. So sorry for your lose. We lost one of the great gifts to this world. A teacher. A mother, a grandmother and a friend to all those her life touched.

“ She was our teacher, journalism advisor and chaperone for an amazing trip studying and traveling abroad. With a heart of gold "Jolly Jane" inspired her students with nurturing encouragement and love. May her memory be a blessing to her family, friends and countless of us kids.
