“ Cindy and I along with David and Mary Leister offer our sympathy and prayers for your loss. It was nice to see all of you at the service for your mother and catch up on old times. I actually spoke to Jack for quite a while and shared stories. He told me of how he would walk all the way from his home in West Allis to my neighborhood in Franklin to visit his girlfriend at that time. Memories are precious. Hold on to them.

“ I was saddened to learn of Jack's passing, and extend my condolences to his family and friends. Jack and I were classmates at West Allis Central, and I'm glad I was able to visit with him for a bit at our recent class reunion. I remember Jack as a really good athlete, but more importantly as a really good person-

“ I would like to express my sympathies to Jack's family and friends. I went to high school with Jack. In fact, he was my date at the prom during our senior year. I am so glad that Jack and Susan came to our 50th high school reunion in 2016 and that we had a chance to visit after 50 years. I know I speak for all our classmates in expressing our deepest condolences to all.
