“ *Kathie, Heaven has definitely gained an angel when you went to heaven. You brought so much life and laughter to everyone you came in contact with. No one will ever forget you and your dynamic ways. I will always remember you and Yogi when we ran into you in Sister Bay Bowl. That was a magical evening. The laughter never stopped when you were around. Bless you always and Yogi we are but a phone call away.*

“ It was my pleasure to visit with Kathie as a volunteer, and I fondly remember the time we spent together - with Yogi's teasing, and Kathie's smile of amusement. May you and your family find peace and comfort.
