“ Im so sorry she was like a mom to me and a grandma to my kids. I would love to go to the service and possibly write something for the service. she was a great person and a good neighbor and friend . I have so many stories to share and I'm so so sad to hear this I wish I could of seen her before she passed. I still have blankets she made my kids and pics she took of the kids. Our dogs were Inseparable. I'm so sorry to the family and friends I feel horrible not keeping In contact. She sure loved the Coloma area and wanted to move back. She loved playing bingo and having a few cocktails she was loved by so many. She surely will be missed. R.i.p. Kathy love always your adopted daughter and your additional grandkids Donovan lea and aiden and your pain in the ass neal who always gave u shit.
