“ I never knew Loraine but I knew if Bill picked her she had to be a fine person. I went to boot camp in Idaho the same time Bill did. We were good buddies from the start. We went to Hospital Corps school together and to Camp Pendleton together. After a couple of months there, I received orders to go to Camp Parks, Calif. and sailed as a corpsman with the Seabees. Bil was a great person. I am in good health and live in Carrollton, Illinois 62016
