“ *Oh, no! I have, as so many of us, been hiding out because of the pandemic and just learned of Mary's passing when she didn't reply to a text. She was one of those angels sent into one's life when needed. We hadn't known each other well, or long, but I was very fond of her and will miss her. I am so sorry for your loss; she was far too young!*

“ Mary created adventures and her infectious laughter kept us going. I will never forget making 3 Dimensional Printer replications of ourselves at Discovery World, where we each walked out with a larger than life head of ourselves or the recent glass blowing adventure on Vliet Street where we blew bowls and ornaments for the first time. She would buy us poinsettias at Christmas or seasonal trinkets for other occasions, always putting others before herself. I miss her already. With Love, Peggy Sieber Mueller

“ We're your neighbors directly behind you. Mary was often out helping in the garden and would chat with us while we were also outside. She even told you she wasn't cutting the lilac bush down because "the neighbors like it"...We are those neighbors. Please let us know if you need anything please let us know. Mary cracked us up and was oh so kind. May your memories bring you peace

“ Dear Julie, Catherine and John, We are so sorry for your loss. We especially remember Mary Therese's laugh, how hearty it was and how it made everyone want to join in. We also remember what a great woman of faith she was. Our most personal memory was from when she came to our home in Milwaukee for Jonathan's 4th birthday to video his antics so we would have a record of it. As she would say it was a real hoot, and it was also very sweet of her to do it. We haven't seen her a lot in these last years but always enjoyed keeping up with her posts on Facebook.
