“ My sympathy to all of you at the death of dear Mary Ann! Though I did not know her really well being quite a bit younger, I however, knew of she was a wonderful talented and loving person. Her gracious smile and lively eyes spoke volumes to all she met. I was so proud that she was from Stratford which we held in common. Also, she knew Mike and I were in the same class. She did her work well on earth and touched so many lives in a beautiful way. May she now know eternal peace and joy.

“ She has been my friend, mentor and companion since 1963. I have kept in contact with her for all these years at Christmas, birthdays and any special occasions. I also have contacted her by phone calls but the last one I only received a busy signal. I followed this up by mail in hopes that if she was no longer to communicate by phone I would get a note from you Mike alerting me of her condition. My deepest sympathy to Manuel who I met in Minneapolis and stayed while waiting for the bus. My prayers for Francis who I know is in ill health and to you Mike and all her nieces and nephews she loved dearly. If you respond, please respond to this email and it will be given to me.

“ What a great woman of wisdom and gentleness. She was my principal at Our Lady of Fatima school in Spokane and we had a great time and I learned so much. Please be assured of my prayers.

“ My sympathy to you. Some years ago I met up with Mary Ann here at Gesu Church, It seems a relative was a religious, perhaps a Jesuit, and I was singing for his funeral. Mary Ann was her very sweet self. I have always admired her. Bernadette Prochaska, FSPA

“ I know what a loved person she was in our FSPA community (Franciscan Sisters of Perpetual Adoration, La Crosse) and what an exceedingly capable teacher and principal. We were blessed in her presence among us for the decade plus that she was with us.

“ Mary Ann has been a dear friend before we entered St. Rose Convent. She had a loving and friendly manner for people she helped in various ways. It was always a joy to be with Mary Ann and to realize what a gift she was she met. Please accept my sympathy and prayers.

“ My love, support and prayers to each of you family members. Mary Ann was my/our classmate. I admired Mary Ann for her 'level head'-common sense, her humor, her story telling, her honesty and prayerfulness. She was so proud of her siblings/family. As the saying goes, Mary Ann was 'ahead of her times' now would be called a lady prophet! Eternal joy grant unto Mary Ann! May she sing, dance and praise God and remember us!

“ My prayers are with all of you. I haven't seen Mary Ann in years, but I have happy memories of her when she was an FSPA. My prayers are with all of the family that they may be comforted in their loss. She is certainly with God and at peace. Prayers and blessings, Sr. Pauline
