“ Chris and David, I wish I had a way to stop the tears that are flowing, the sadness of broken dreams, the thoughts of arms that can no longer hold you in comfort.....life changes in a flash, and Rob's had hardly begun. I just found out that the funeral is tomorrow. I am so sorry that I have meetings that I can't miss. I imagine everything is a blur, that you don't sleep, are overtired, and in shock. God is asking so much of you both. I know all our heavenly relatives are watching over Rob, as well as you two, but imagine it isn't easing your pain. Oh my!! Oh my!! How I wish I could make it go away. What I can do is to flood the heavens with prayer. Please know that you are loved. Hugs, Nan & Jim and clan
