“ Thank you for the cherished memories cousin Suzie! Especially in those formative years of our youth. The playing, laughing, swimming, growing... discovering and sharing new music and movies, staying up late talking when we were supposed to be sleeping, letter writing and reading, catching crawdads... Those summertime visits to you, cousin Cathy, Uncle Dick and aunt Dorothy at the Grafton house and trailer on the lake. Your visiting me in California... I learned from and was inspired by you—your smarts, open mind, treatment and respect of others and animals, your energy and sense of humor—your spirit... I loved you dearly and you'll always remain in my heart. Shine on cousin Suzie...

“ *Susanne was a very special family friend. We go way back as she went to high school with my sons, Ryan and Sean, danced at the Dance Academy with me and my daughter, Erin and then worked as a hairdresser at my husband, Randy's beauty salon until he passed away in 2002. She took his place as my hairdresser but was much more than someone who made my hair beautiful. She was a caring listener and confidant, a shoulder to cry on, and always knew the right things to say. She was not supposed to be gone before me! I will miss her terribly!! Love & hugs, Sandi Cooley*

“ I spent two decades as a client of Susanne's. Our hours together were filled with conversation about our families, books and her beloved Michael and the dogs. We relocated from Milwaukee three years ago and stayed in touch during that first year but not since. Susanne was a wonderful person and I valued her friendship. My warmest regards to her family in this time of sadness and grief.
